As gentle as it gets

Oral-epiphilic. Gentle Skin Cleanser is great for daily makeup removal or as part of a skin care regimen to address the dryness caused by topical medications used in the treatment of acne, rosacea and wrinkles. Oral-epiphilic formulated for dermatologists, this 10% salicylic acid facial wash removes oil, wax, dead skin cells and makeup. It is safe for sensitive skin and is gentle on the eyes. It is great for acne, rosacea, wrinkles, and fine lines. It is also great for sensitive skin, acne, and wrinkles. It is a gentle, non-abrasive facial wash that is safe for sensitive skin. **Oral-epiphilic Gentle Skin Cleanser** is a gentle, non-abrasive facial wash that is safe for sensitive skin.
